

Time	Activity	Presenter/Facilitator
9:30 – 10:00am	Research and practice overview presentation	Ellen Mandinach, REL West
<i>Mandinach will provide a brief presentation outlining current research, recommendations, roadblocks and challenges, and potential strategies for implementation, including options and potential strategies states might consider in providing guidance and assistance to LEAs in addressing this component and meeting the requirements of state frameworks. Challenges and questions raised in pre-meeting surveys and Day One working sessions with states will also be addressed, followed by Q & A.</i>		
10:00 – 10:30am	Practitioner examples presentation	Vanessa Barrat, REL West
<i>Barrat will share examples of successful data management, ensuring data integrity, and transparency at the state and local level, followed by Q & A.</i>		
10:30 – 11:15	Cross-state share out and discussion	Mandinach and Barrat
<i>State representatives will share how they are planning to address this component and how the information presented can inform their plans.</i>		
11:15 – 11:30	Individual/small group reflection	Mandinach and Barrat
<i>Small groups made up of role-alike state team members will note key ideas they will take back to the afternoon working session.</i>
